THE ROMANCE OF CURE!

DR. RADWAY'S Sarsaparillian Resolvent.

Barsaparillian Resolvent.

Beady Relief and Perfect Purgative Pills, in written testinonials from all parts of the world, surpass in wonder the most extravagant miracles of enchantment. Physicians and medical men in all countries pronounce these wonderful remedica a mystery, that neither their science of analysis or chemical skillcan explain. True, these medicines effect the most marvelous cures, and restore the dying to life, and relieve the most wretched pain-suffering victim of his tortures, in from one to teenly minutes, and although they know some of the ingredients of their composition, and Dr. Radway has published their formula (withholding only two newly discovered roots), still both French, German, English and American chemists and pharmaceutists utterly fail with the same ingredients as prepared by them. The great success, which these wonderful remedies are constantly achieving, lies in the great secret of combining the ingredients together, after exercising due care in selecting the pure and genuine roots.

Such wonders of Modern Chemistry as the SARSAPARILLIAN RESOLVENT, READY RELIEF & RADWAY'S PILLS, are without parallel in the History of Medicine, for there are some infirmities and diseases that are considered as incurable, and sure death. Ye the most astounding cures have been made throf these remedies of some diseases that have never been known to be cured by medicine.

CONSUMPTION, SCROFULA, WHITE SWELLING, Tumors in the Womb, Stomach, Ovaries, Bowels, Bright's Disease of the Kidneys that have been pronounced incurable, Cancers, Ulcers, Swellings, Stone in the Blaider, Calculous Concretions, Ulcers and Sores of the Bones, Rickets so deeply seated that no other medicines have been known to reach, have been cured by the SARSAPARILLIAN RESOLVENT, aided by the READY FULLS.

Palsy, Paralysis, Dry Gangeron, Strict Breast.

RESOLVENT, aided by the READY
and PILLS.
Palsy, Paralysis, Dry Gangene—that threatens a living death—daily rotting away of the limbs and flesh—Diabetes, Involuntary Pischarge of Water, Fungi in the Bladder (the Emperor Napoleon's disease), Torturing pains when discharging urine, RHEUMATISM, GOUT, NEURALGIA—each and every one of these complaints—though but a few of the many other diseases, Radway's Sarsaparillian Resolvent has cured and is daily curing in all parts of the world.

Has just been en'arged from a 7-column to an S-column paper, and clothed in new type throughout. Its columns will be devoted to the In one world, any diseaso—no matter under what name designated, that is nourished or increased by bad, impure, deprayed, weak, thin, watery or poisoned blood—can be cured by RADWAY'S SARSAPARILLIAN RESOLVENT.

Dr. Radway & Co. have never claimed one-hundreth part of the curative virtues for their remedies as is ascribed to them by the people who have used them; for bear in mind, only such diseases and complaints as Dr. Radway, after successful treatment with their remedies knew they would cure, were enumerated in their curative list, so that many of the extraordinary cases that have been reported awakened as much astonishment in the discovery of their remedial agents as in those who had been rescued from death, and made whole and sound.

As many persons discredited their extraordinary power, from the fact of their disappointment in the use of other advertised remedies—and some believed it impossible for
simple medicines made only from vegetable
substances—roots, herbs, &c.—should possess
such marvelous power. Yet they can readily
comprehend that the simple grasses of the
field, after undergoing the chemical process of
distillation designed by nature in the cow and
churn, furnishes us with butter—certainly the
most abundant fat, caloric or heat-making—
bone, tissue, muscle, sinew and blood-making
constituents for the human body.

But when those people who first doubt the But when those people who first doubt the efficacy of these remedies commence their use, they become their most carnest advocates.

DR. RADWAY: I have had Ovarian Tumor in the ovaries and howels. All the doctors said there was no help for it. I tried everything that was recommended, but nothing helped me. I saw your Resolvent and thought I would try it, but had no faith in it, because I had suffered for 12 years. I took six bottles of the Resolvent, one box of Radway's Fils, and used two bottles of your Ready Relief, and there is not a sign of a tumor to be seen or felt, and I feel better, smarter and happier than I have for 12 years. The sorst tumor was in the left side of the bowels, over the groin. I write this to you for the benefit of others. You can publish it if you choose.

AN IMPORTANT LETTER

From a prominent gentleman and resident of Cincinnati, Ohio, for the past forty years well known to the newspaper publishers throughout the United States:

DR. RAPWAY—Dear Sir: I am induced by a sense of duty to the suffering to make a brief statement of the working of your medicine on myself. For several years I have been afflicted with some trouble in the bladder and urinary organs, which some months ago culminated in a most terribly afflicting disease, which the physicians all said was spasmodic stricture in the uretha, as also infamation of the kidneys and bladder, and gave it as their opinion that my age—73 years would prevent my ever getting radically cured. I had tried a number of physicians, and had taken a large quantity of medicine, both allopathic and homeopathic, but got no relief. I had read of astonishing cures having been made by your remedies; and some four wonths ago I read a notice in the Philadelphia Saturday Evening Post of a cure having been effected on a person who had long been suffering as I had been. I went right off and got some of each—your Sarsaparillian Resolvent, Ready Relief, and Regulating Pills—and commenced taking them. In three days I was greatly relieved, and now feel as well as ever.
